

# HOWELL

 VTO AVAILABLE

## Philosophy

When you want to update your patient and impart class and refinement, the Howell is your go-to. The nylon semi-rimless construction is lightweight and compliments the face. The custom coined pattern on the bridge gives that extra detailing for the discerning individuals. Wear this style with confidence because you will look spot on at any occasion—from casual weekender to dressed up professional. The two toned finishes impart a rich vocabulary of colors.
