**OPTICAL EXPERIENCE**

*My work in the optical field began with an eye-opening experience at a trunk show my eye doctor was having. I fell in love with the fun and the frames, and my talent for lighting up the room took over.*

**WHY DO YOU LOVE WHAT YOU DO?**

*I love making people feel good about themselves through fashion! Eyewear is a great way for people to explore style, and providing them with the perfect assortment of styles to choose from elevates eye care experiences to fun shopping moments.*

**FAVORITE FRAME AND COLLECTION?**

*OGI, our namesake brand! It is so imaginative and innovative, and as a Midwesterner, I love the authentic, fun Minnesota branding.*

**WHAT ARE YOUR INTERESTS AND HOBBIES?**

*Real estate, especially staging homes and designing rooms. A beautiful place to stay and spend time learning new things is so special.*

**WHAT'S YOUR FAVORITE SCENT?**

*I love the smell of lemons. If life gives me lemons, I'm not just making lemonade, I'm making cologne!*

**WOULD YOU RATHER WALK THROUGH POISON IVY,  
OR A BEEHIVE?**

*Beehive, definitely.*

**IS PINEAPPLE ON PIZZA A SIN?**

*Love me some pineapple and ham pizza! Unexpected and delightful combinations are the best!*
