

# CORVALLIS

 VTO AVAILABLE

## Philosophy

A study in how to bring together metal and acetate in a sleek and stunning style, Corvallis adds a hint of extra weight to the frame's classic shape, and includes precise etching on the bar rivets and the temple corners. The metal temple blends seamlessly into a transparent acetate temple tip that highlights the core.

## Size

A 52 | B 44 | ED 56 | DBL 21 | TMPL 145
